### COVID PLAN

South Dakota is experiencing an uptick in COVID cases. Vendors have been asking about restrictions or requirements our group may have due to COVID. The board discussed ways of designing the conference to make it safer for our members to attend. All sessions will be in a big common area so attendees can space apart as much as possible. No breakout sessions in confined spaces. Masks are recommended but not required.

### REGISTRATION

Registration is very strong with 125 members so far with 23 signed up for the golf tournament and 31 for the tour of St. Joseph's Indian School.
